

Automated Work Opportunity Tax Credit (WOTC) Screening and Processing

If you could **earn thousands of dollars** in available tax credits **with minimal effort**,
Would you be interested?

You can reduce your federal income tax liability by as much as \$9600 per eligible employee?

That certainly adds up quickly!

With Efficient WOTC, we make it easy to pre-screen your new employees, identify eligibility, and submit the appropriate documentation automatically and on time.

The result? Five to ten times return on your investment from claimed tax credits. It truly pays for itself.

The process is simple:

English and Spanish

Easy-to-Use

Scalable to Any Business

Powerful, Real-Time Reporting

Automated

No Upfront Costs

“ We have almost doubled our WOTC credits since working with Efficient Hire! We enjoy working with your company and have definitely received a return on our investment! ”

Maureen Zakutansky, HR Director, Restaurant Management Corporation – 20+ McDonald’s

The WOTC Process

with

1

Pre-Screen all new employees to identify eligibility for WOTC.

The interactive Q&A allows the employee to easily complete the required forms (8850 & 9061). Any necessary supporting information will also be identified during this process.

2

The Efficient WOTC Processing System will review the claims and submit the required documents to the applicable state(s).

3

The state will then approve or deny your claim(s).

NOTE: if for some reason your claim is denied, the Efficient WOTC Processing System will submit an appeal and attempt to reverse the decision.

4

Enjoy your tax credits!
