The Solution

Efficient Onboarding

Automating your Employee Onboarding process benefits teams beyond the HR Department; those in Operations, for example, can stop the paperwork and concentrate on running their business.

Start onboarding your new hires now while having the peace of mind knowing you are meeting compliance requirements. Efficient Onboarding has your back!

- » ALL state and federal tax forms
- » Form I-9 with optional integrated E-Verify screening
- » State-specific required forms
- » Background screening options
- » Paycard enrollment options
- » Significant Tax Savings with the Work Opportunity Tax Credit screening & processing
- » ACA Compliance Management - Policy/Eligibility Notifications, Tracking & Reporting to the IRS.

Customize the onboarding experience with configurable features:

- » Employee payroll vitals collection
- » Company & Location policies (handbooks, video policies, etc.)
- » Position-specific policies
- » Driver Information - driver-specific details (insurance, mvr, etc.)
- » Payroll integration & employee data exports.

Efficient Onboarding guides your new hire through their onboarding tasks until all stages are complete.

Once onboarding tasks are eSigned, the hiring manager approves the file and your newest employee is ready to work!
