

Recruit, apply, track, hire, report – All in One, easy-to-use platform

Tired of paper applications with poor handwriting that inevitably get lost in the shuffle?
Or perhaps you have upgraded to electronic applications, but now you are fighting with never-ending emails?

It's time for a shift.

Save Time and Effort

Easy-to-use and intuitive

Post to Hundreds of Job Boards

Collect and Manage from Apps and Multiple Sources

Review and Rank Applicants with Pre-screen Questions

Collaborate and Share

100% Cloud-based, Secure

Apply Anywhere, Any time, From Any Device

With Efficient Apply

You can track and manage your applicants through the entire hiring process – from recruiting candidates to reviewing applications, and finally to hiring the right person for the job. **All in one place.**

Tracking Affirmative Action, EEO (Equal Employment Opportunity), OFCCP (Office of Federal Contract Compliance Program) data?

We've got you covered! With Efficient Apply, you have access to powerful, real-time reporting capabilities and built-in dashboard.

Create your own reports, using our report builder, or use a report template for things like:

- » **EEO-1**
- » **Applicant logs**
- » **Applicant sources**
- » **Time-to-hire stats**

It's time to make a shift from paper and chaos to online and streamlined.

Take control of your hiring process.

Choose Efficient Apply!
